

All I See

All I See is tuned (low to high) C G D G B D, and has two sections: the verse and the chorus. The riff is achieved by picking with all five fingers, and tapping the strings with the full right hand on the second and fourth beat.

Verse: *If I were making you as happy as you say I do...*

The verse guitar tablature is written for a guitar tuned C G D G B D. It consists of 12 measures. The first measure has a C string with notes 0 and 4. The second measure has a D string with notes 4, 4, 4 and a tap on the G string. The third measure has a C string with notes 0 and 2, and a tap on the D string. The fourth measure has a D string with notes 4, 4, 4 and a tap on the G string. The fifth measure has a C string with note 0 and a tap on the D string. The sixth measure has a D string with notes 4, 4, 5 and a tap on the G string. The seventh measure has a D string with notes 5, 4, 4, 5 and a tap on the G string. The eighth measure has a D string with note 0 and a tap on the G string. The ninth measure has a D string with note 0 and a tap on the G string. The tenth measure has a D string with note 0 and a tap on the G string. The eleventh measure has a D string with note 0 and a tap on the G string. The twelfth measure has a D string with note 0 and a tap on the G string. The word "repeat" is written to the right of the tablature.

Chorus: *But I want you to be...*

The chorus guitar tablature is written for a guitar tuned C G D G B D. It consists of 12 measures. The first measure has a G string with note 2 and a tap on the D string. The second measure has a G string with note 4 and a tap on the D string. The third measure has a D string with notes 4, 4 and a tap on the G string. The fourth measure has a D string with notes 4, 4 and a tap on the G string. The fifth measure has a D string with notes 4, 4 and a tap on the G string. The sixth measure has a D string with notes 4, 4, 0 and a tap on the G string. The seventh measure has a D string with notes 4, 4 and a tap on the G string. The eighth measure has a D string with notes 4, 4 and a tap on the G string. The ninth measure has a D string with notes 4, 4 and a tap on the G string. The tenth measure has a D string with notes 4, 4 and a tap on the G string. The eleventh measure has a D string with notes 4, 4 and a tap on the G string. The twelfth measure has a D string with notes 4, 4 and a tap on the G string. The word "repeat" is written to the right of the tablature.
